Admission

1. The EECE and SELL departments reserve the right to limit enrollments in the program when necessary or desirable.

2. Formal admission to the program is granted at the end of Spring semester, Sophomore year, only to those students who have met the departmental requirements as well as those of the School of Education and of the College. A student must have a minimum of 16 earned course units, a grade of B- or higher in ECE 202 and in ECE 203, and a minimum GPA of 2.75 or higher. 3. Departmental application forms must be filed by students desiring to transfer from other departments in the College. The application process includes completing an application and a written response to a designated topical question. Interviews of applicants are required. A minimum GPA of 2.75 is required to transfer into the program.
4. Proficiency level of all students admitted to the major will be continually assessed. Students not meeting acceptable proficiency levels in the areas of oral language, spelling, writing, reading, and mathematics skills may not be permitted to continue in the program. In addition, students must evidence satisfactory performance in the Disposition Assessment (*) administered in DHH 105, ECE 201, RAL 222, and SPE 324. Student dispositions are also assessed throughout the program and will be used as a criterion for admission and retention in the program.

**Transfer Students**

The program is sequential in nature and structured with courses offered only during certain semesters. Potential transfer students must realize that this may prolong their programs by as much as one year in some cases. Transfer students who are accepted into the program must schedule courses with advisement of the program coordinator.

Outside transfers must complete an admissions process through the College admissions office. Departmental review of external transfer applications occurs immediately subsequent to the date published by the College. Interview of applicants may be required. A minimum grade of B is required in English Composition. Students transferring from other schools should check the special education website for specific information pertaining to transfer students.
Program Entrance, Retention, and Exit Standards

Every major program at the College has set standards for allowing students to remain in that program, to transfer within the College from one program to another, and to graduate from a program. The following are the standards for the five-year program in the Early Childhood Education and Education of the Deaf or Hard of Hearing. Minimum grades are noted in parentheses.

- Retention in the program is based on the following academic performance standards in these “critical content courses”: ASL 101 (B), ASL 102 (C), ASL 103 (C), DHH 105 (B-), DHH 303 (B-), DHH 350 (C), ECE 201 (B-), ECE 203 (B-), and RAL 22 (B-). Students who have taken any of the above courses two times without earning the requisite grades will be dismissed from the program. Also see the retention requirements for individual majors in the Schools of the Arts and Communications; Humanities and Social Sciences; Engineering; and Science.

- In addition, students must evidence satisfactory performance in Professional Disposition Standards and/or Teaching Performance standards as measured in DHH 105, ECE 201, ECE 203, SPE 214 (B-), RAL 222, RAL 322 (B-), ECE 302 (B-), ECE 490 (B-).

- In addition, students are required to get a minimum grade of B- in all graduate courses.

- Transfer into the program from another program within The College is based upon the following performance standards in these “foundation” courses: WRI 102, if not exempted (B-); FSP (B-); SPE 103 (B-).

- To graduate, the student must earn a minimum grade of C- in MAT 105 or MAT 106, B- in all critical content courses (see list above), as well as a B- in all other required education courses.

- Graduation requires completion of all courses and requirements in the deaf education major; completion of all courses and meeting all standards in the second major; fulfilling all liberal learning requirements; and the completion of a minimum of 32 undergraduate course units.

- At the end of their 4th year, students must have a minimum GPA of 3.0 for admission to graduate study at TCNJ. Additionally, in order to take graduate level classes during the fourth year, students must have a GPA of 3.0.

- In addition, students are required to get a minimum grade of C- on their Education major breadth distribution courses (U.S. History, and Lab science).

- A student’s other course work will depend in part on his or her second major. See requirements for individual majors in the Schools of the Arts and Communications; Humanities and Social Sciences; Engineering; and Science.

- At the end of their 4th year, students must have a minimum overall GPA of 3.0 for admission to graduate study at TCNJ.

- In order to be eligible for undergraduate student teaching (ECE 490), a student needs to meet the following criteria:
  - Minimum GPA of 3.0 or higher.
