

Communication Disorders Minor

The Communication Disorders Minor provides the prerequisites necessary to prepare students for graduate study in speech/language pathology or audiology. The program consists of five courses, considered by the accrediting agency, the American Speech-Language-Hearing Association (ASHA), as essential to students seeking admission to graduate programs in the field. Only one course taken as a part of a student's major may be counted toward the student's minor.

SLP	102/Language, Speech and Communication Development (offered fall and spring semesters)	1 course unit
SLP	108/Anatomy and Physiology of Speech and Hearing Mechanism (offered spring semester)	1 course unit
SLP	205/Acoustic Phonetics (offered fall semester)	1 course unit
SLP	304/Audiological Assessment and Management of Hearing Loss (offered fall semester)	1 course unit
SLP	307/Communication Disorders: Nature, Diagnosis and Treatment (offered spring semester)	1 course unit
