

European Studies Minor

Advisors: Toloudis

Affiliated Faculty: Monseau, Wright

This interdisciplinary area studies minor within the international studies program seeks to offer students a broad background in the languages, history, politics, and cultures of Europe. It draws on the existing strengths of a number of departments and faculty members at The College of New Jersey. The minor program consists of five courses plus a language requirement.

Requirements:

- Five courses, drawn from at least three disciplines, chosen by the student from the approved list below or by advisement. Three of these courses must be at the 300-level or above. Students are strongly encouraged to work with their advisers to develop a coherent focus as they fulfill their minor's requirements.
- Students must complete at least one additional course at the 200 level in a European language other than English, or demonstrate equivalent proficiency through a language exam (intermediate low as defined in the ACTFL guidelines).
