

Religion Minor

Coordinator: Pierre Le Morvan, Philosophy

The Religion Minor aims to familiarize students with the beliefs and institutions of major world religions, their origins and evolution in different regions of the globe and in different historical periods, their intersection with textual and non-textual forms of expression, and their profound impact on human culture and society in the past and in the present.

Students are encouraged to choose a sequence of courses to suit their interests and needs in consultation with Pierre Le Morvan (lemorvan@tcnj.edu), Coordinator of Religious Studies.
