

Speech Pathology and Audiology Minor

The Speech Pathology and Audiology Minor provides the prerequisites necessary to prepare students for graduate study in speech-language pathology or audiology. The program consists of five courses, considered by the accrediting agency, the American Speech-Language-Hearing Association (ASHA), as essential to students seeking admission to graduate programs in the field. Only one course taken as a part of a student's major may be counted toward the student's minor.

- SLP 102/Language, Speech and Communication Development
- SLP 108/Anatomy and Physiology of Speech and Hearing Mechanism
- SLP 205/Acoustic Phonetics
- SLP 304/Audiological Assessment and Management of Hearing Loss
- SLP 307/Communication Disorders: Nature, Diagnosis and Treatment
